**Starting Points for all events: 25**

**Finishing Points for all events: 25**

GC16 Points – All Riders/Drivers of Record must be ENTERED and Race Vehicle must START in ALL races to be considered for a Year-End podium position. A podium position is 1st, 2nd and 3rd place. DNF points will be awarded for distance on course determined by the last LEGACY designated checkpoint that the race vehicle passed through. All year-end points are determined by the finishing record of the entrants involved in each class.

Tie breaker - If there is a tie after year end points are computed, then the tie will be determined by who finished better at every race. We will combine your class positions and the lowest combined totals will be awarded the position.

There is No Throw-away race
